

New Backpack Drive for the **2023-2024** School Year

We are collecting new backpacks and other school supplies for students through Friday August 11th, 2023.

- Preparing for the new school year is an exciting time for students. But it can also be stressful for them and their parents and caregivers when money is tight. You can help support these students with a new backpack and other supplies for the upcoming school year!
- To make donating even easier for the 2023-2024 School year we have set up an Amazon gift registry. Your donations will help local students start their year off in the best way possible.
- We welcome any kind of donations including gift cards to office supply stores or other vendors too! Any donation to help boost kids' spirits and learning opportunities is welcomed!
- If you would like to host a donation site or drop off a donation at Acenda Headquarters, please reach out to Stephanie Taylor.
